

Bird Watching

The **Birdwatching Group** is now under the new leadership of Phil Collins and Viv Powell. We would like to begin with a huge vote of thanks to Andrea Burton and Ann Wilkinson for their commitment in running the Group over these last nine years and for ensuring its continuation.

Now, can you tell a Dunnock from a House Sparrow or the song of the Blackbird from that of a Song Thrush, or even better, a Whimbrel from a Curlew? You can? Well, if you are not already a member why not join us? Even if you can't, but are interested in finding out, we'd love to welcome you and show you how it's done.

Its purpose is to enjoy and learn about the birdlife (and wildlife) of our area both local and a little further afield.

To put in your diary regular monthly dates (the 2nd Tuesday in the month) for our field trip meetings.

We will email a reminder to you one week in advance and would ask you to confirm or otherwise by return email if you will be attending. (This is very important!)

In our email we will give details about the venue, the birds you might see, details of any facilities and any other relevant information.

Each field trip assembles in the car park of the Cross House Pub (free parking) for departure at 9.30am (unless otherwise advised).

We like to car share where possible to minimise the number of cars used. We aim to be back in the car park mid- to late- afternoon.

Mersey Tunnel Tour

Author, Alan Thomas.

Back in September 2014 **LHG 9** visited the Mersey Tunnel to tour the tunnel and learn of its history. After many changes/additions to our group, we decided a repeat visit to the tunnel would be a good starting point for 2024.

Along with “guest U3A members” from the Monday Cycling group, the visit was planned into our 2023-2024 season and completed at 5pm on Thursday 11 January 2024.

We were met by guide Phil and the first thing was to be kitted out in hard hats and high vis jackets. He gave a brief history of the tunnel and why a tunnel under the Mersey and not a bridge over was the answer to vehicle Wirral access.

It was chosen as the better option by a fact-finding group lead by Sir Archibald Salvidge, then leader of Liverpool City Council, with a bridge rejected on the grounds of a higher estimated cost and impracticalities of the necessary supporting piers which would obstruct shipping, affect the current and cause silting.

In 1925 the Mersey Tunnel Joint Committee was created and work started on December 16 1925 the Tunnel was opened July 18 1934 by King George V.

Phil went on to say the way to remember both tunnels was “The Queensway Tunnel was opened by the King and in 1971 the Kingsway Tunnel was opened by the Queen”.

It was such an engineering achievement and the first in the world at that time, the longest road tunnel, all built by manual labour without machinery being involved. It was referred to as the “Eighth Wonder of the World”.

After our introduction we set off to climb up

to the fourth floor of the building which housed the original control room and Alison, the other guide, gave us talk about the old control room where two engineers controlled the ventilation system for the tunnel.

On the control board to this day was the motto “Failure is not an option.” We then descended many flights of stairs into the ventilation clean air section and viewed one of the main ventilation fans 27 feet in diameter.

From there we further descended into the emergency/safety area under the tunnel and were given the chance to view the passing cars, but with a warning that it can have a strange effect on your eyes if you watch too long (see photo).

The Queensway Tunnel has a life span of a hundred years and in an effort to extend the use of the tunnel further, it was decided to ban all large lorries and coaches from using the Queensway Tunnel and for them to use the Kingsway tunnel instead to cross the Mersey. We had a thoroughly informative and entertaining tour by two excellent guides, Alison and Phil.

Yoga (Tuesday)

Author: Anne Rodmell.

The picture above is the u3a **Yoga Tuesday group** having fun displaying their "warrior" pose. We are ably led by our supportive leader Alison Craggs, a qualified yoga teacher, whose mantra is "Yoga is not for the flexible but for the willing" – thankfully in my case! The class is a space where you can nourish the mind and body.

Sounds interesting? Good news, we have vacancies. If you'd like to join us at 10am Tuesday mornings in Raven Meols Community Centre please contact Alison on 07954 581 818 or email alisoncraggs@icloud.com

Formby U3A New Activity Groups

The Formby U3a website includes details of over 80 various groups but even this number sometimes doesn't meet your needs. The answer may be – start your own. In the past year we have been able to welcome a number of new groups into the fold and want to establish more. The new groups have included; Beer Appreciation, Wild Water Swimming, Running, Yoga and Line-dancing as completely new activities as well as new groups for existing activities such as Spanish and Local History. The Committee have made funds available to help Groups get established and will support where they can new groups in the initial stages, for instance with mentoring and providing contacts. So if you can't get into a group or have an interest that's not listed, how about starting your own group with like-minded members? Contact the Groups Secretary at groups@formbyu3a.org.uk to get the ball rolling.

Sick to Death

Author, Elizabeth Goodwill.

A recent journey to Chester's new "Sick to Death Museum" was rewarding for **Local History Group 6** members. They were guided by the Grim Reaper and Asclepius, the ancient Greek God of medicine, through the weird and wonderful history of medicine and explored the history of Chester's deadly diseases which lurked on every surface. It provided a light-hearted insight via the Turdis, the only time travelling toilet in existence, an assessment of who were the Quacks; who are the villains of medicine and an assessment of which remedies were magic & which real.

Outings Trip to Harrogate

Author: Helen Lewandowska.

The 2023 Christmas trip was to Harewood House and Harrogate. Despite a slight detour by our coach driver through St. Helens we arrived safely and the rain had stopped on arrival. We all enjoyed a spot of lunch and a tour round the House before departing for Harrogate town centre. A wander round the stalls, a bit of Christmas shopping and a nice afternoon tea at Bettys or other good coffee shops meant a good time was had by all. I know some members are keen to do Chatsworth in 2024 and we'll do our best to get in early for this so as not to miss out.

Formby U3A Christmas Concert

Author: Helen Lewandowska.

Our Christmas concert at the United Reformed Church in Formby proved a huge success. It was particularly special as our own music groups led the event and our

thanks go again to Singing for Pleasure, the Folk Group, Ukuleles and Recorder players. Over 100 people attended and all reported having had a good time.

Coffee Mornings

Our coffee mornings remain the place to get together to catch up with friends and find out what is going on. At our March coffee morning we will be consulting with members about our next Garden trip in May.

Boules

Author: Andy Dickinson.

The **Boules group** is thriving. Members meet on a Wednesday morning behind the Formby Pool. An enjoyable hour or so is spent bowling with plenty of friendly banter followed by a brew at the Cafe in the Park. A reminder to Formby U3A members that there is a 10% discount on drinks. Current membership cards must be shown.

Walking Group 6

Author: Marcia Thompson.

Group members enjoyed their recent walk at Frodsham Hill.

Message from the Chairman

Formby Recorder Group are hosting a regional recorder day at the Quaker House in Liverpool on the 24th February. This has been a challenge to arrange but appears to have now come together and we wish them all a very enjoyable day.

As well as our Garden trip in May we hope to do a Summer trip in July. We are thinking of Windermere or York but suggestions are always welcome.

Don't forget U3A members can get a £10 reduction to the Southport Flower show this year thanks to Southport U3A who sort this out for us.

A few people have asked me about the Group Leaders meeting which we have had to postpone a couple of times. Apologies for this and hopefully we will go ahead with this in April 2024, date to be confirmed.

We are having some changes to our Committee due to some long serving members retiring for a well-deserved rest or further adventures. We would like to thank Helen Beaver, Nikki Harrison, Anne & Martyn Rodmell who have worked very hard for Formby U3A over a number of years. We welcome new members to the committee to take over but would like to remind you that we are still looking for someone to

organise our Speakers on a monthly basis so if you are able to help it would be much appreciated.

Bay Horse

Author: Paula Parker.

Local History Group 16 held their quarterly meeting at The Bay Horse in early December followed by Christmas lunch. To check everyone was still on the 'good' list a visit from Father Christmas was arranged. Thankfully it was good news for all.

Plaza Cinema

Author: Paula Parker.

Local History Group 16 underwent a really interesting behind the scenes tour, film show and refreshment break on a bright day in January at the Plaza Community Theatre in Crosby. Following an exciting train journey on one of the new 4 carriage trains from Formby and short walk from Waterloo station, members were met by Martin Lol, the Cinema Manager. Martin gave an informative background and history talk, showed us all areas of the cinema (including the Projection Room and Art Deco decorated toilets). This was followed by a 42 minute detailed film featuring staff members and volunteers. It was amazing to see the

commitment from all involved to save the Plaza since it first opened on the 1st September 1939.

Changes To The Newsletter

As the number of group reports has diminished since lockdown, Committee has decided that Formby U3A Newsletter will be published each quarter, rather than on an ad hoc basis, until further notice. The Newsletter will be published with March, June, September & December editions. The Newsletter is meant to report on the 47 different activities that are available to all Formby U3A members.

The Newsletter needs ***your group reports to show the diversity of the people and activities in Formby U3A.***
